## Information Concerning The Sale

**LOCATION**—At the Farm, 5215 Rivoli Drive, Macon, Ga.

**TIME**—Sale begins at 1:00 p.m., Friday, June 14

**TERMS**—Terms of the Sale are cash unless other arrangements are made in advance with the owner. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All animals will be at buyer's risk immediately after purchase in the ring.

**HEALTH**—All cattle have been tested for Tuberculosis and Brucellosis within 30 days of the date of this sale. This herd is officially accredited for TB (Cert. 259), and Brucellosis (Cert. 283). Interstate health papers will be provided on each animal to out-of-state buyers.

Though this is a dispersal—**ALL ANIMALS SELL AS GUARANTEED BREEDERS**. Females with calves at side stand as proven breeders without further guarantee. Herd sires and breeding age animals, if found to be non-breeders, within six months, are to be returned to Rivoli Farms at the new owner's expense and if they can not be proven breeders within 90 days, full adjustment will be made, or purchase price refunded.

**LIABILITY**—Persons attending this sale do so at their own risk. Neither the owners or the sale manager can assume any liability on the safety of those in attendance.

**TRANSPORTATION**—Available truckers at reasonable rates will be available.

### Equipment Selling!

- One Electric Grain elevator
- Three Grain Bins (capacity of 1200 bushels each)

## OWNER'S STATEMENT

Dear Folks:

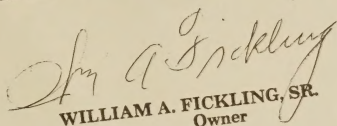

We will be happy to have you with us at Rivoli Farm on our Sale Day, June 14. As announced, this is a dispersal event but animals selling will carry the full guarantee as provided by standard sale regulations of the American Shorthorn Association.

Our Rivoli herd is not a large one, however, we do pride ourselves in the quality group of females that we have assembled during the past few years. Too, we feel that we are selling three young herd sires that will make any herd owner proud of his possession.

The herd is young, healthy, and you will see it in its most productive stage. Good calves at side of many of the females will give you a good evaluation of the herd sires as well as the productive qualities of their dams.

It is regrettable that we sell this herd at this particular time, but all of them must sell.

If we can aid with your arrangements, to make your trip to Rivoli on June 14th more pleasant, call on us.

  
WILLIAM A. FICKLING, SR.  
Owner

## Paul Teegardin Writes . . .

It is with a feeling of genuine regret that I see the herd at Rivoli Farms dispersed at this time. On the occasion of my first visit to Rivoli Farms I was impressed with the vision and determination of Bill Fickling to develop one of the nations small top herds of Polled Shorthorns.

He knew what it took. He was willing to buy that kind. He was big enough to "cull" those that failed to meet his standard of excellence. He has culled them rigorously.

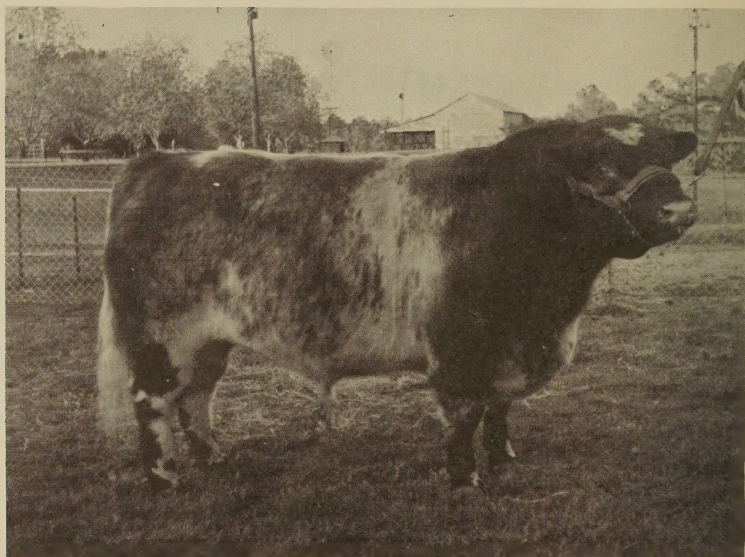

Today, —the herd is approaching his ideal—only honest cattle are in the herd. No herd in the southeast has three bulls in service, equal to the merit of the Rivoli sires. He owns them because he believed in their combined use, he could accomplish his goal.

Mr. Fickling has made a contribution to breed progress. His loss can build the herds of the southeast stronger, through the opportunity of breeders to go forward with the good, well bred, producing cattle he has working at Rivoli Farms.

This dispersal can be a stepping stone to progress for every breeder who buys in this sale—it is rare that buyers have an opportunity to bid on and own as many top cattle as are being offered. Their numbers are limited, but their worth to the breed and to the herds into which they will go, is boundless.

I trust that Mr. Fickling's health will improve and that someday he will again establish a herd. His contribution to Polled Shorthorn progress will stand in testimony to his vision and his determination to own one of the top small herds in America. That's guarantee enough that breeders can go forward with these worth owning cattle. In a dispersion you get the kind that you cannot buy otherwise.

Top breeding and an excellent young bull. Sired by the International Champion, Creekland Lancer, we think this is the best bull we have on the farm. He was Junior Champion at the 1961 Georgia State Fair as a junior yearling. We have one calf by him and heifers sell bred to him. Easy to handle, and certainly a bull that should go to work in a good herd.

Oakwood CC Leader is a BIG bull - He's a BEEF bull of tremendous size, depth, thickness and a bull with meat where you want it - Moreover, he's a young bull whose first calves will warrant an interest in owning him. His sire, Circleview Leader, a top bull, was the 1954 International Reserve Grand Champion. He was a 100% dehorner and spent his entire career at Oakwood Stock Farm. His dam, an Edgcote Missie, comes from a family of cows that has produced top cattle for six generations - both bulls and females. Backed by Commander in Chief, Oakwood Leader, the \$5700 imported Gosshall Ximenes, the two International Grand Champions, Oakwood Royal King and Oakwood Baron - bulls that guarantee his heritage. Here is an Opportunity Bull, size, thickness, beef where it counts - and his useful like as an improver is ahead of him. At any price, he will be WORTH OWNING!

Oakwood Motto, looks like a sire and he fills that promise by inheritance. He's a TOP son of the 1955 International Grand Champion Creekland Lancer. His dam is an outstanding cow by imported Cruggleton Nyren - grandson of Cruggleton Perfect - one of the all time great sires of Scotland. His grand dam, a granddaughter of the Perth Supreme Champion Calrossie Mercury is a full sister to one of the best brood cows in the famous Edellyn herd. Motto has everything to recommend him - great head, depth, thickness, clean hard bone, and that look of a stock bull. His first calves would guarantee he may become one of the breed's best sires.

He comes from a family of cows that have "bred on". The 1950 Polled Short-horn Congress Grand Champion Ragfield's Leader was from this cow family. So was the \$4000 Oakwood Medallion. Likewise, Oakwood Myrtle 2nd 1952 International Reserve Grand Champion female and her daughter Oakwood Myrtle 8th, exported to Scotland at \$5000 as a foundation female in the Westdrum herd. They were great because they inherited that right - so is Oakwood Motto. Oakwood Motto is certainly the MOST of the BEST ever offered at auction in the Southeast. Some herd will become famous through his ownership.

Oakwood Missie NR is an Edgescote Missie cow that has produced top bulls and females alike since the family came to Oakwood in 1925. The two best females exported to Australia in 1937 were of this family - one was twice Champion in the Royal Easter Show in Australia. The 1950 International Reserve Grand Champion Oakwood Mainstay was another. A full brother has sired the champions in the 1961 -1962 Palermo Show in the Argentine - another is a top cow in the Bapton herd in Scotland. Her sire was a 2100 lb. bull - and both he and the sire of her dam were 100% dehorners. Dispersion Sales are Opportunity Sales - and this cow is a opportunity cow!

O. S. Lavender 19th produced the first prize Junior Bull calf at the 1960 International, O. S. Lancer 2nd. Each calf has been outstanding and she has a show prospect at side. She is a double bred granddaughter of Oakwood Hallmark, a ton bull who was one of the top sires of his time. She comes from the Silverthorn Lavender family - one of the breed's best cow families - good cows for over half a century. She's a PROVEN brood cow - a young cow and truly a foundation kind. Never before have breeders in the Southeast had an opportunity to own the dam of an International Livestock Exposition winner. Owning her is important if you want to BREED the BEST.

We were asked to help fill out the offering and were anxious to cooperate. We are sorry we could not consign any females and had only one bull of breeding age. Not many breeders are looking for bulls at this time of year - but the time to buy a bull is when you find him. This one we are proud to present. Herd Accred. & Cert.
